**Contact: Crook County Sheriff's Office**

**Date: 11/3/14**

**Case No. 14-1182**

**Event: Lost Hunters**

**Location: Forest Service Road 4230**

## Media Release

On November 2, 2014 at 5:24 PM the Crook County Sheriff's Office responded to a report of 2 lost hunters near Forest Service Road 4230. The subjects had been tracking an elk and could not find their way back to their vehicle; they did have cell phone with a partial charge, but were not prepared to stay the night in the cold weather. A deputy along with a Search and Rescue team responded to the area. Teams received GPS coordinates from the 9-1-1 call.

The subjects were located at about 8:45 PM, cold and wet, but otherwise in good condition. People are reminded to always carry survival gear with them. For more information and survival tips please go to [ccssar.org](http://ccssar.org) and visit their backcountry survival page.

Sergeant James C. Savage
