Brand and model of radio \_\_\_\_\_

Survival Equipment I will carry:

- |                       |                 |                  |
|-----------------------|-----------------|------------------|
| • Matches _____       | Shelter _____   | Flashlight _____ |
| • Fire Starter _____  | Knife _____     |                  |
| • Water _____         | First Aid _____ |                  |
| • Food _____          | Whistle _____   |                  |
| • Compass _____       | G.P.S. _____    |                  |
| • Extra Clothes _____ | Batteries _____ |                  |

Additional Suggestion:

Place a piece of aluminum foil on a carpeted floor and step on it while wearing the shoes you will be hiking / hunting. Leave that shoe print on the dash board of vehicle, hunting camp, family member. The print can be photo copied and handed to Search and Rescue Teams.

This is an excellent tool to use with all children that may be in a hunting camp, family outing, etc.
