Crook County Search and Rescue
c/o Ms. Brandi Lange

Dear Ms. Lange:

On behalf of The Kevin S. Roberts Foundation for Children, it is my pleasure to inform you that Crook County Search and Rescue has been chosen as a recipient of the eighth annual Kevin's **PICK** (Promoting Inclusive Communities for Kids) Award, acknowledging businesses and community organizations for their efforts to welcome and include children of all abilities.

To be nominated for a Kevin's **PICK** Award, a business or community organization must demonstrate its leadership role in building inclusive communities by actively adapting its standard practices, policies and/or physical environment to promote the patronage or participation of children with disabilities.

Nominations are accepted annually during the month of October, in celebration of National Disabilities Awareness Month, and awarded throughout the following year. For more information on the Kevin's **PICK** Awards, or to submit a nomination, please contact The Kevin S. Roberts Foundation for Children at (541) 504-2539.

Congratulations on receiving this award for your role in the C.A.S.T. for Kids event held in Prineville, Oregon each summer. Over the years, your participation and sponsorship of this event has been instrumental in creating a supportive, inclusive experience for so many children with disabilities. On behalf of all these children and their families, our heartfelt thanks.

Sincerely,
